**Supplier declaration as per RoHS Directive 2011/65/EU and Article 33
of REACH Regulation (EC) No 1907/2006**

Dear Sir/Madam,

One of the key aims of the Reichle & De-Massari Group is to design products that are compatible with the environment. We therefore ask you to confirm that you are in compliance with the requirements concerning materials in the RoHS Directive 2011/65/EU for the materials listed in the Annex. Please inform us if the materials contain any substances of very high concern (SVHC) according to the current REACH Regulation (EC) No 1907/2006 candidate list.

Information about RoHS:

If the quantity of the restricted materials exceeds the legal limits, all valid exemptions must be listed for each material. **If exemptions 6 a, 6 b, and 6 c apply to your products, please inform us of the material substitution action taken and the corresponding changeover dates.** Please note that we require the RoHS supplier declaration for all delivery items that are to remain in R&M products, regardless of whether these fall under the scope of the directive or not.

Please also be aware that you should not use any phthalates in electric and electronic devices because they will be banned by law on July 22, 2019.

Information about REACH:

According to Article 33 of the REACH Regulation, the supplier is obliged to inform customers of any particular substances of very high concern (SVHC) contained in the product. Materials subject to this information obligation are included in the "candidate list." The current list can be found at:

<http://echa.europa.eu/candidate-list-table>. According to the decision of the European Court of Justice of September 10, 2015, the information obligation of the supplier according to Article 33 applies in the case that one or more articles in a product contains an SVHC in a concentration of more than 0.1% by weight (w/w) per article ("once an article always an article") O5A: Further information is available at: <http://curia.europa.eu/juris/liste.jsf?td=ALL&language=en&jur=C,T,F&num=C-106/14>

Annex XIV: Please ensure that monitoring of the addition of prioritized SVHC, as published in the Candidate List to the Authorization List in Annex XIV, is ensured at all times/ proactively informed. Applicable authorization numbers are to be communicated with R&M in a proactive approach.

Annex XVII: Please ensure that monitoring of new additions and compliance with to Annex XVII is continuedly ensured.

Kind regards,
Corporate Procurement Team
Reichle & De-Massari AG
